Overnight Care Information

Dog Wild Resort offers overnight care with daycare included in a safe, clean, stress-free, homey environment. Because of our home-like environment, our facility is only suited for dogs that enjoy being in the company of other dogs.

To ensure an enjoyable visit, dogs living locally are required to attend our doggie daycare program at least once before staying for overnight care, so please plan ahead. Attending daycare ensures compatibility with other dogs and the dogs get to meet some of their future playmates. This is also an opportunity to have all of their families' questions answered. *Dog Wild's* capacity is maintained at a level which allows us to provide personalized care and attention to each guest. Your dog returns home happy, healthy and refreshed.

Facilities

The large outside play yards have water buckets, wading pools in warm weather, rain/shade huts and an assortment of toys. We also have indoor play areas for inclement weather days. Older dogs can spend their day hanging out with us in the office or napping. All guests are carefully monitored for exercise level, buddy preferences and compatibility. A caretaker lives on the premises and provides consistent supervision. All play yards are cleaned several times daily. All food and water bowls are washed twice daily. All blankets and pillows are laundered regularly.

All dogs are let out for a potty break at approximately 9:00 pm. Then our turn-down service includes fluffing the beds, freshening water bowls and a bedtime cookie on the pillow.

Sleeping rooms have raised beds with fluffy blankets, assorted toys and treats. All rooms are thoroughly cleaned and disinfected daily. There is classical music and night lights to enhance comfort and security. Guests are welcome to bring their own favorite pillow and/or toy from home if they wish.

Menu

We feel very strongly about each guest having his/her own regular, at home diet. That is why we ask that each guest bring his/her own food. We provide treats, bowls, blankets, beds, toys and bedtime cookies.

Requirements

The following requirements were established with the health and safety of our guests in mind. Please be respectful of them.

- All dogs must be on a leash in the entrance area.
- All dogs will be checked for fleas upon arrival. If fleas are found, a flea bath will be given and an appropriate fee will be applied to your invoice.
- All dogs must be at least 6 months of age and must be neutered or spayed by 7-months of age. Any exceptions must be made through owner, Dana Rice.
- A new registration form will be required for each dog in advance of their first visit, and must be accompanied by inoculation records. For subsequent visits, updated vaccine records must be provided upon request.
- All dogs' owners **MUST** provide a current veterinarian's certificate for Rabies vaccination. DHP and Canine Kennel Cough are highly encouraged.
- All dogs must possess good social skills.
- ID Tags must be worn on your dog's collar.
- All dogs **MUST** be dropped off and picked up during our posted working hours.
